TEUTONS FAILED TO RETAKE TRENCHES

Rains Hinder Fighting on Western Front but War Increases in Fury in Bulgaria and Roumania

(Associated Press)
London, Sept. 22.—The Germans today continued their counter attacks on the Somme front. The French reported Teutonic troops advancing in waves from between Leprieux and Ran court, were driven back by French artillery. The German losses were heavy.

The British have renewed their attacks, capturing two lines of trenches south of the Ancre river. The admiralty announces that British warships have bombarded Bulgarian positions in the vicinity of Nechani, near the mouth of the Struma on the Macedonian front.

The war office announces the artillery duel in the Dorian region continues with increased intensity.

A Paris dispatch says the Serbians have reached the neighborhood of Urban. The French broke the Bulgarian attack north of Florina. The entente forces have made progress on the heights dominating the Florina-Popli road.

A Sofia dispatch says there has been only minor fighting on all Bulgarian fronts.

BERLIN CLAIMS SUCCESS FOR TEUTONS AND BULGARS

Berlin, Sept. 22.—The Germans and Bulgarians by encircling counter attacks have driven the Russians and Rumanians in Dobruja back in disorder, according to the war office.

DIDN'T DAMAGE DOVER

London, Sept. 22.—It is officially announced that a German aeroplane dropped three bombs on Dover today. There were no casualties.

RAINS HINDER FIGHTING

With the September rains hindering the operations on the western front, interest has been transferred to the Russian, Roumanian and Macedonian theaters.

Heavy fighting in which the Russians attacked in mass formation, has taken place along a twelve mile front in the region of Lutsk, Volhynia. Vienna and Berlin say the Russians were repulsed at this point with heavy losses, but the battle is still raging in some sectors.

Petrograd reports that the German offensive begun north of the Stokod river has been put down. In the Carpathians both Berlin and Vienna have conceded that the Teutons line, east of Panther bridge, was pushed back by the Russians. In Transylvania, Bucharest asserts that the Rumanians have stopped their retreat, while Berlin and Vienna record the re-occupation of the Vulan pass. Stubborn fighting continues in Dubroja, where the Russo-Rumanian forces are holding their line against the invading Bulgarians and Germans. Paris says the Allied forces in Macedonia have pushed their way three miles northwest of Pissadori. On the extreme western wing of the Macedonian line, Sofia reports that the counter attacks of the Allies, in the region of Florina, have been repulsed.

Unofficial advices say that a revolution has broken out in Crete and that a committee of revolutionists have been sent to Saloniki. Former premier Venizelos, while declining to say whether he proposes to go to Saloniki to head the movement, declared that "if the King does not hear the voice of the people we must ourselves decide what is best to do."

CITIZENS AS USUAL HAVE TO SUFFER

Several Passengers on New York Cars Hurt During Attacks by Strike Eympathizers

(Associated Press)
New York, Sept. 22.—While union leaders representing 700,000 workers planned to meet this afternoon to decide whether to call a general strike out of sympathy for the street car strikers, city officials prepared for mob violence.

Some of the more prominent labor leaders made the statement that the strike would be called to start Monday or Tuesday. The plan announced yesterday by M. J. Regan, of the state board of arbitration and mediation, to force arbitration, has been temporarily abandoned. It is planned now to have the state industrial commission consider the question Tuesday.

Cross-town surface cars, heavily guarded, ran last night without being molested. Sixteen attacks on elevated lines were reported to police officials this morning. Several passengers were hurt.

SECOND CAR OF STOCK

The second car of pure bred Hampshire hogs arrived this afternoon from Frankfort, Ind., in charge of J. W. Pyles of that city. The hogs were unloaded in the Coast Line yards, and are being distributed. The hogs were raised by Ralph Pyles of Frankfort, son of Mr. J. W. Pyles. There are 29 sows in the car, and one boar. More boars are to come later by express. Four sows farrowed en route, and 24 out of 30 pigs were alive and sound on the arrival here.

Two sows are for Noble W. Harrison of Oklawaha, 15 for the McClan farms, 10 for McColsky Brothers of Alachua county, two for T. C. Carter of Ocala, one for A. C. Blowers, and one for W. H. McKainey. Two of these sows came in the first car.

SEATS WILL BE PROVIDED FOR COURTHOUSE SQUARE

Marshal Carter started out this morning to raise by popular subscription enough money to put benches on the square for the comfort and convenience of visitors and shoppers. Mr. Carter has obtained some splendid contributions. Mr. Marcus Frank has donated two benches, and these have been placed on the northwest corner of the square. A third bench was donated recently by the Ocala Iron Works. The benches are substantial, comfortable and attractive and will fill a long felt need.

BIG HAUL MADE BY VILLA'S BANDITS

(Associated Press)
Washington, Sept. 22.—An official account of Villa's raid on Chihuahua City Saturday was received by the war department yesterday from Gen. Bell at El Paso. The report says the bandits captured some artillery, sixteen automobile loads of munitions, liberated two hundred prisoners from the penitentiary and got away after being joined by from a thousand to fifteen hundred soldiers of the Carranza garrison.

General Bell's report revealed the fact that Villa led his men in person and made a speech from the balcony of the governor's palace after he had captured it.

MRS. L. B. TYDINGS

Mrs. Lou Bryant Tydings died shortly before midnight last night at her residence on South Second street at the age of 74 years, following an illness of some length. Because of failing health, Mrs. Tydings was brought from Williston to Ocala about the first of August of this year, in order that she would be near her nearest relatives. Her death has been expected momentarily.

Mrs. Tydings, who was Miss Lou Bryant before her marriage to the late Rev. Richard McKendry Tydings, was born in Jacksonville 74 years ago on the 3rd of this month. After her marriage she moved to Anthony in this county, and lived there for about 20 years. She then moved to Ocala and made her home here for three years, moving thence to Williston, where she has been for the last two years. She is survived by her children, Miss Ellie Tydings, now of this city, Mr. Charles Tydings, of this city, Mr. W. E. Tydings, Mrs. Annie Stroud and Mrs. Clark Nix, of Williston, and eight grandchildren. Dick and William Stroud and Robert Tydings of this city, are grandchildren.

A short funeral service was held at the residence on South Second street this afternoon at 1:30 o'clock. Another service was held in the Methodist church at Anthony and the interment takes place in the family burying ground there. Rev. J. M. Gross, pastor of the Methodist church, will conduct the services. The pallbearers will be W. J. Edwards, J. V. Tarver, O. B. Howse, J. M. Meffert, G. S. Scott and Rev. Bunyan Stephens. The Star has learned of the death of Mrs. Tydings with the deepest regret, and has heartfelt sympathy for the members of the family. Mrs. Tydings had a host of friends in this section of the state who will mourn her loss.

RE-TREADING MACHINE COMING FOR OCALA SHOP

Mr. H. A. Davies, the tire man, has a re-treading machine coming which will be here in a few days. With this machine Mr. Davies can do in a quick, economical and much better way what he has been doing with an ordinary vulcanizing outfit—re-tread automobile tires when the surface is badly worn, making them practically as good as new.

Read Mr. Davies' ad. in this issue. Send him your tire repairing to do. Do not send it away from home, for Mr. Davies will do it just as well.

BAKER BISBELIEVES REPORT FROM BELL

Funston However Inclined to Think Report Has a Good Foundation

(Associated Press)
Washington, Sept. 22.—Secretary Baker let it be known today that the war department was not disposed to accept as accurate General Bell's report of yesterday on the Villa raid on Chihuahua City. He indicated the assumption that Gen. Bell's account was based on border rumors and reports and not on facts obtained through army channels in Mexico.

FUNSTON CREDITS THE STORY

San Antonio, Sept. 22.—Gen. Funston said he placed full credence in Gen. Bell's report to the war department on Villa's Chihuahua raid. He has been informed that Gen. Bell's information was gained from reliable persons coming to El Paso direct from Chihuahua City, immediately after the battle.

TISSUE OF LIES, SAYS TREVINO

Chihuahua City, Sept. 22.—General Trevino in a statement to the Associated Press described the reports of the Villa raid attributed to General Bliss as "a tissue of lies and falsehoods." He said he was at a loss to know where Gen. Bell got "such a brand of information."

WATSON THINKS HE IS A WARWICK

Will Try to Prevent Georgia Democratic Convention from Endorsing Wilson

Gainesville, Sept. 22.—A special contest ever held at Silver Springs was witnessed at that natural pool yesterday afternoon by a crowd of fully 500 persons. It is estimated that at least 150 automobiles were parked at the springs during the contest. The afternoon was a delightful one, clear and bracing, and the sports were thoroughly enjoyed.

The entries were numerous and the swimming and diving was spirited. R. S. Hall Jr. captured three contests. He won in the 100-yard dash, in the 440-yard dash and the dive for form. The prize for the 100-yard dash was a handsome Stetson hat donated by H. A. Waterman, the prize for the 440-yard contest a nifty shirt, presented by the Commercial Bank, and the prize for the dive was another nifty shirt presented by the same bank. Miss Clifton Sexton was winner of the 25-yard dash for girls under 12 years of age, and was presented with a season ticket for bathing for 1917. Miss Cornelia Dozier carried off the prize for the best dive for girls under 12 years of age, the prize being a season ticket. Miss Blair Woodrow won the 500-yard dash for girls under 21 years of age, and was presented with a season ticket. The 500-yard swim for boys under 21 was won by Mr. Coon, the prize being a box of socks and two ties, presented by the Commercial Bank. In the 440-yard dash for girls under 21 there were three participants: Miss Blair Woodrow, Miss Gladys Drake and Miss Marguerite Moore. Miss Moore won the event. She is the daughter of Mr. and Mrs. J. T. Moore, of this city, and it will be remembered that she was recently successful in swimming contests in Tampa. Miss Drake finished second, and Miss Woodrow did not finish.

The judges of the contests were Messrs. B. F. Condon, Sam Leigh and J. T. Moore. Mr. Harry Elpert was starter. Mr. Ed Carmichael is making a move in the right direction in promoting contests of this kind at the springs. His efforts to make Silver Springs a popular summer and winter watering place deserve encouragement. This season the springs have been more popular than they have been for many a year. Mr. Harry Elpert, who has been acting as life guard at the springs, is a swimmer of experience, and he has co-operated with Mr. Carmichael in a splendid manner. It has become a common thing to see parties going to the springs for a plunge before breakfast.

What will Dorsey do?
What will his friends do?
There is Albert Howell Jr., sometimes known as "Little Albert," law partner of Hugh Dorsey and brains of his campaign. Mr. Howell's brother, Clark Howell, is democratic national committeeman from Georgia. The Atlanta Constitution, of which Clark Howell is editor and Albert Howell president, has supported Wilson consistently. Certain it is, therefore, that Albert Howell will not consent to a refusal to endorse Wilson, much less to condemnation of his administration.

There is J. R. Smith of Atlanta, president of the Fulton County Hugh Dorsey Club, prospective chairman of the resolutions and platform committee of the Macon convention, as strong a supporter of Woodrow Wilson. Certain it is that J. R. Smith will not consent to slapping Woodrow Wilson in the face.

Yet Watson's orders are clear, unmistakable, emphatic and peremptory. He asserts that the governor-elect was not a democratic candidate, that the primary was not a democratic primary, that the convention will not be a democratic convention, that the nomination to be conferred by the convention will not be a democratic nomination. Republicans, progressives, socialists, every stripe and color except negroes, participated in the primary, asserts Watson, "and therefore it would be ungrateful, indecent and even brutal to slap those men in the face with a Wilson indorsement, which has no business in this (the Macon) convention."

SWIMMING RACE AT SILVER SPRINGS

Many Were Present at the Event and Great Interest was Manifested
